## Presidents Message

Welcome to the 2010 season. It has been a season of transition. Economic downturn has resulted in attendance at lefties tournaments that were lower than normal. Consequently, NALG is looking for new ideas to promote interest in the association. One avenue of information is a new BLOG site. A link is available on our home page ([www.nalg-canada.org](http://www.nalg-canada.org)) or it can be accessed by following this direct link (<http://nalgcanada.blogspot.com/>). In addition to the BLOG site, NALG Canada will be advertising in local magazines. If any member has any additional ideas, please forward directly to my e-mail address [marriott@nalg-canada.org](mailto:marriott@nalg-canada.org) or visit the BLOG site to post suggestions for the association.

This year's tournament will be held at Cordova Bay Golf Course located in sunny Victoria, British Columbia, Canada. The course is situated very close to Cordova Bay Beach with fantastic views of Mt Baker and the San Juan Islands (Washington State). The tournament this year will start with a registration/social gathering across the street at Cordova Bay Executive Par 3 Course Clubhouse. The clubhouse has wonderful views overlooking the entire Cordova Bay Golf Course where the championship will be played. Please visit our website, [www.nalg-canada.org](http://www.nalg-canada.org) to register. We have also attached an entry to this newsletter. I look forward seeing everyone at the tournament. It should be noted that your entry into the national tournament extends your membership by one year. Just by entering into the National Tournament, you are maintaining your dues. If you require additional information please don't hesitate to contact me, Rich Marriott - president NALG Canada [marriott@nalg-canada.org](mailto:marriott@nalg-canada.org) or by phone 250-744-3144.

One final note.....it is up to everyone in the association to help promote our association, the national tournament, and left -handed golf in Canada. It takes very little effort if many people complete small tasks within the association. The association does not move forward if no one is willing to volunteer. I urge everyone, no matter how small the task, to volunteer making NALG Canada a strong association for years to come.

See you in Victoria  
Rich Marriott  
President NALG Canada
